Shaping the future of Aerospace

As we look to the horizon, Dubai Airshow 2025 is set to redefine the boundaries of aviation, space, and defence. This year's event will not only celebrate cutting-edge advancements but also pioneer new pathways in sustainable aviation, inspiring the industry toward a more connected, innovative, and eco-conscious future.

Over five thrilling days, Dubai will become the center stage for global leaders, showcasing the latest technologies, visionary aircraft, and an electrifying flying display. By uniting the best minds and boldest innovators, Dubai Airshow 2025 marks a new era, driving the industry forward and strengthening the UAE's role as a leader in the aerospace revolution.

Join us on this journey—where the future of flight takes off.

flydubai confirmed an order for 30 Boeing aircraft worth **\$11B**

Static display

Dubai Airshow's unique static display during the last edition showcased several new and flagship commercial, military and private aircraft models including:

- **Action Aviation** – B737-7BC
- **AerCap** – B777-300ERSF
- **Airbus** – A350 – 1041, A320P2F, A321neo, A8330-800neo, A400M Atlas, H225, C295M, A321neo, ACJ 220
- **Al Fursan** – Aer Machi 329
- **ArmeeDe Lair (French Air force & Space Force)** – DassaultRafale x 2
- **Boeing** – F-15x2, B787-9x2, B777-9
- **Bombardier** – Challenger 3500, Global 7500
- **Calidus LLC** – B-250980, B-250, 981 cloud seeding, B250-982, UAV
- **CATIC** – L15 Advanced Jet Trainer x2
- **DassaultAviation** – Falcon 6X, Falcon 10X, Falcon 2000LXS
- **DEPO** – Super Mushshak
- **Diamond Aircraft Industries GmbH** – Diamond Aircraft DA50 C
- **Embraer S.A** – ERJ 190, EMB-314 (A-29 SUPER TUCANO), Praetor 600, C-390
- **Emirates** – EMB-500 (Phenom 100EV), B777-300ER, Airbus A380-800, Diamond DA42-NG, Cirrus SR 22
- **Etihad Airways** – B787-900
- **Flydubai** – Boeing 737-8
- **G-Flight** – EA 300LC
- **Gulf Helicopters** – Bombardier Challenger 605
- **Gulfstream** – GVII-G500, GVII –G700
- **Korea Aerospace Industries Ltd** – Rotary Wing Aircraft (LUH)x2
- **Leonardo** – AW169
- **Pakistan Aeronautical** – JF-17 Thunder Block-2x2, JF-17 Thunder Block 2
- **Pilatus** – PC-24
- **Qatar Airways** – A350-1041, B787-9, Gulfstream G650ER, Global 7500
- **RoyalJet** – BBJ 737-700
- **Saudia Group** – Airbus A320-251N (neo), B787-10
- **Textron**
- **Vaayu** – A320-232 (P2F)
- **Vista** – Global 7500, Legacy 650

Static Park

Hospitality Chalets

The Hospitality Chalets at Dubai Airshow offer an exclusive opportunity to host your clients and conduct high-level meetings in a private, luxurious environment. These fully customizable single or double-story chalets are strategically positioned near the static display, providing your guests with unrivaled and breathtaking views of the aircraft. Elevate your business interactions and impress your clients with this exceptional hospitality experience.

Aircraft Display

Experience the pinnacle of aviation at the Dubai Airshow 2025. Our world-class static and flying display is a highlight for all attendees, showcasing over 192 commercial, military, and private aircraft, including UAVs, drones, helicopters, and more.

The convenient layout and close proximity of the exhibition hall to the static park and chalets make it an attractive and accessible venue for both exhibitors and visitors – an unparalleled aviation experience!

Key networking opportunities

Aerospace Executive Club ***NEW***

The Aerospace Executive club which will be launched at the 2025 edition of Dubai Airshow aims to build a community of high-level CEOs in the aviation, space and defence sectors that will come together on a regular basis to network with peers, discuss the latest trends and developments and seek out potential areas for collaboration.

B2B Matchmaking Programme

Provides you the ultimate networking opportunity to meet face-to-face and to do real business. Pre-registered visitors, delegates, speakers and exhibitors will be able to search, connect and book meetings with key contacts at the show.

Official Mobile App

The official 'Dubai Airshow Mobile App' will feature virtual floorplan, lead generation for sponsors and exhibitors, individual company profile, networking & matchmaking, live interactivity, session check-ins and much more.

Airshow After Dark ***NEW***

Dubai Airshow will stay open late on Tuesday to host networking events and allow attendees to continue engaging and socialising.

“The event was more than a showcase; it provided an opportunity to establish new connections. Engaging in a multitude of insightful meetings and discussions, our team had the privilege of connecting with industry leaders and pioneers in the aviation domain.”

Anastasiia Shkuryna
Business Development Manager,
Sigma Software

Key networking opportunities

Party on the Runway @ Skydive Dubai

We are taking the Party to the actual Runway. An iconic event exclusively for our exhibitors for a fun evening of networking against the breathtaking Marina views.

Date: 17th November 2025
Venue: SkyDive Dubai

Delegations Program

The Dubai Airshow delegations program welcomes over 493 delegations from 97 countries which includes military and civil.

Royal Pavilion

An important part of Dubai Airshow, the Royal Pavilion is an ultra-exclusive palatial space where the government leaders and official delegations converge*.

*Access to the royal pavilion is by invite only and strictly controlled

Golf Tournament

Providing an unrivalled networking opportunity in a relaxed environment, held at the Emirates Golf Club, Faldo Course and hosted by DSV.

Dubai Airshow has established itself as one of the fastest-growing trade exhibitions in the global Aerospace industry. It was truly a thrilling experience to be part of such a prestigious gathering, surrounded by leaders and professionals from the industry.

Majed Sherbiny
CEO, Santocedrus Capital

Gala dinner

Widely regarded as one of the most sought-after invitations of the year, the Dubai Airshow Gala Dinner is the social highlight of the Dubai Airshow week. An evening hosted by Dubai Airports, Dubai Duty Free and Emirates Airlines attracts performances from a spectacular list of artists including Jennifer Lopez, Sir Tom Jones, Diana Ross, Stevie Wonder, Katy Perry, OneRepublic and many more.

The Dubai Airshow Gala Dinner is the aviation social event of the year. The 2023 edition was absolutely spectacular, featuring fireworks display and a stellar performance from Maroon 5 at the Atlantis Hotel, Dubai.

What to expect in 2025

Rikas Hospitality

A showcase of 13 homegrown fine dining concepts ranging from French to Japanese cuisine.

Training Academy

New for 2025, attendees will get access to onsite workshops, training and education, enabling them to maximise their show visit and equip them with valuable new skills.

eVtol Flying Display

Dubai has announced that flying taxis will be in the skies by 2026. See the future at Dubai Airshow with EVTOLs taking flight and showcasing their capabilities.

Expanded Exhibition Hall

8,000sqm additional space to meet the growing demand within Aerospace in the region.

The Studio

A dedicated setup for industry leaders and business executives to create content through recorded interviews and panel discussions, to amplify reach and impact.

Live Content

Join industry leaders, enthusiasts, and pioneers at the 2025 edition of Dubai Airshow conferences, where innovation takes flight against the backdrop of one of the world's most dynamic cities.

The conference will focus on topics ranging from aerospace technology advancements to sustainable aviation solutions to innovation in space exploration, each session offering a unique opportunity to expand your understanding and network with like-minded professionals.

| Key Themes

Defence

Featuring the most prominent military and civil official delegations and international armed forces, along with the defence industry influencers and leaders – This is the perfect platform to network with the right audience and grow your business.

In conjunction with the UAE Ministry of Defence, Dubai Civil Aviation Authority and the Government of Dubai – the Dubai Airshow welcomes:

493

Official delegations

97

Countries

“Boeing is committed to pushing the boundaries of innovation, and the Dubai Airshow always provides an ideal platform to demonstrate our cutting-edge solutions in defense, space, and security. Our team was at the forefront, engaging with industry leaders, partners, Boeing teammates, and our valued global customers.”

Theodore Colbert III
President & CEO, Boeing Defense, Space & Security

Space

In partnership and collaboration with the UAE Space Agency, Dubai Airshow will firmly establish Space as a core component of the show, making it a key business generation and knowledge-sharing platform for the space industry in the region and beyond. Attracting the right corporate partners, investors and end users to the show, space startups will have access to grants, funds and varied investment opportunities.

The space zone in 2025 will be enhanced with a focus on high level networking, asset display, experience zones and delegation programs to promote thought leadership, commercialization and investment opportunities.

Space delegations at the Airshow will include:

Ministries

Space
Agencies

Space
Commands

End Users

Environment
Agencies

Academia

“I attended the Dubai Airshow and interacted with the Mohammed Bin Rashid Space Centre about their astronaut program, applied, and now I’m sharing my experience of viewing Earth from 400 kilometers up.”

Hazza Al Mansouri
Emirati Astronaut

Sustainability

The UAE continues to lead global sustainability efforts, and the Dubai Airshow is dedicated to hosting an environmentally responsible event, championing impactful initiatives that align with the UAE's vision for a sustainable, net-zero future.

Partner with us in driving the industry toward a greener future through meaningful onsite activations and content programs.

Key sustainability initiatives include:

Sustainability Content Sessions

Connecting the disconnected

Sustainable Hotel Partnership

Optimized Attendee Travel

SAF Supply

Local Community Initiatives

Recycled and Environmental friendly Products

Use of Renewable Energy

“The Dubai Airshow 2023 was more than just an event – it was a vivid demonstration of the aerospace industry’s serious dedication to sustainability. Bringing together forward-thinkers and innovative solutions showed us a glimpse of a future where aviation is more in tune with our sustainability goals.”

Saadain Lari

Director & Head of Global Marketing, ValuStrat

Advanced Air Mobility

Following the successful launch of the Advanced Air Mobility pavilion, the 2025 show will once again witness an exclusive showcase of future flight technologies and eVTOLs joining the flying display.

The event will also combine an exhibition area, that features revolutionary products, eVTOLs on the static and flying display and the return of the AAM conference program addressing the way we travel, the regulations and infrastructure and how we incorporate AAM into our daily lives.

Key features include:

eVTOL Flying
Display

Inspiration Zone

Step into the Inspiration Zone at Dubai Airshow – Where the Future of Aerospace Takes Flight.

It will be a haven for young professionals, startups and enterprise looking to be inspired, explore the limitless possibilities of aerospace innovation and how it can address the future needs of their customers.

Through the curated collection of revolutionary technologies, advanced simulations, visionary ideas from across the globe, we aim to create a new enthusiasm that will leave a vision, a purpose, and the belief that no dream is too far beyond reach.

VISTA will carry its success as the leading aerospace Startup platform for talented and innovative entrepreneurs from across the globe to elevate their profile, gain investment opportunities and make real connections with industry giants.

VISTA in 2025 will bring new challenges, more investors, increased number of mentorship hours and the launch of emerging sectors that are transforming the future of the industry.

VISTA Success Stories

Australian startup **Esper Satellite Imagery** made waves by winning the Space Challenge and Vista Innovation Cup, earning a \$10,000 prize. This achievement unlocked partnerships with the UAE Space Agency, AWS, Bayanat, and Planet Labs, gaining \$25,000 in AWS credits, mentorship, and market access via the UAE's Geospatial Analytics Platform. With solution promotion at COP28 and advanced satellite imagery support from Planet Labs, Esper is set for transformative growth in the space industry.

A UK-based startup, **ROVAR**, won Dubai Airports' guest experience innovator challenge at VISTA. ROVAR's smart guide utilises augmented and virtual reality to enhance passenger experiences, offering real-time information and virtual wayfinding to assist travellers throughout their journey.

What happens at Vista

Startup Stage

Featuring keynotes, thought-provoking panel discussions, and transformative mentorship workshops led by industry leaders to inspire and empower founders at every stage.

Mentorship

Startups gain valuable insights through mentorship sessions and 1:1 interactions with leading figures, receiving guidance and strategies to thrive in a competitive landscape.

Pitch Competitions

Participating startups have the opportunity to be part of reverse pitch competitions and startup challenges, aimed at tackling some of the key issues faced by the industry and being awarded high stake prizes.

Investor Programme

VISTA serves as a vibrant hub, uniting over 120 startups and 50 investors through a dynamic matching programme, fostering collaboration and driving innovation in the aerospace community.

The Next Gen Leaders programme is dedicated to refining the skills of students, graduates, and emerging professionals, paving their path towards becoming the forefront of a high caliber workforce and bridging the gap between academia and industry.

Participants will gain access to curated sessions, workshops, training, university research showcases, and competitions centered on the future of aerospace.

Partnership opportunities are available to inspire future minds and drive local innovation.
