MAKING CONNECTIONS

Taking place from 17-21 November, the 2019 edition of the Dubai Airshow will once again bring the aerospace community together at DWC, Dubai Airshow Site. Show on show, the Dubai Airshow delivers an unrivalled gateway to established and developing markets - with 80% of the world's population located within eight hours of one of the UAE’s airports this is where the industry comes to make connections.

2019 EXPECTED ATTENDANCE:

87,000
TRADE VISITORS

1,300
EXHIBITORS

UP TO 165
AIRCRAFT ON DISPLAY

"The Dubai Airshow has been phenomenal, we've had great traffic and a lot of people have been very interested in our product. The event shows the best of all our different allies and friends coming together and working together to find solutions that promote commercial activity between countries."

Michael Dishman, Senior Regional Director, Middle East, Africa & South Asia OshKosh Defense

DELEGATIONS

The Dubai Airshow runs one of the most successful and far-reaching delegation programmes in the world - the 2017 edition saw 279 delegations from 76 countries attend. We invest in the people, systems and relationships to ensure that our exhibitors meet their customers.

Face-to-face meetings and building relationships are key to developing business and our dedicated Delegation Liaison team is available to exhibitors in the lead up to and during the show to facilitate as many requests as possible.
2019 SHOW FEATURES

The Dubai Airshow prides itself on supporting and responding to developments within the aerospace industry, the 2019 edition will see a number of dedicated feature areas and conferences return to the show along with new additions:

**AIRLINE CXO SUMMIT**
This one-day conference will be the most significant meeting of commercial airlines and decision makers globally. Designed for leading decision makers from airlines, associations and equipment manufacturers to network and debate the industry’s most critical issues and challenges.

**CARGO CONNECT**
Industry experts will discuss the vision of the cargo industry and the UAE as a strategic hub. Airlines, airport authorities, freight forwarders and expediting companies along with vendors will attend this focused exhibition area and conference.

**GLOBAL AIR TRAFFIC MANAGEMENT (GATM)**
Bringing together the regional & international air traffic control network to discuss the latest in airspace design, air traffic flow management, autonomous aviation, modality & digital towers.

**AIRPORT SOLUTIONS DUBAI**
Join the airport community to discuss the biggest disruptors facing the industry; biometrics, AI, blockchain, robotics, IoT, big data and futurist technologies for the airports of tomorrow. The two-day exhibition running alongside the conference will enable buyers to source the latest and most innovative products and solutions.

**SMART MANUFACTURING**
The inaugural Smart Manufacturing conference and pavilion at the Dubai Airshow will bring together key stakeholders to examine the additive manufacturing applications that are revolutionising the aerospace industry such as big data processing capabilities, industrial connectivity devices and services, and advanced robotics.

**SPACE PAVILION AND TECH TALKS**
The Space Pavilion and tech talks, produced in collaboration with the UAE Space Agency, will address future missions and projects within the UAE whilst providing a global outlook into investment and innovation.
